

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 731

Chairperson: Tom Carlson
Committee: Agriculture
Date of Hearing: January 19, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 731 is intended to address the deposit of certain funds in counties without a separate weed control authority fund. Under 2-959, funds generated from the rental of weed control equipment must be deposited in the noxious weed control fund of the county. Because many counties have consolidated this separate fund into the county's general fund, this section would be revised to reflect both options.
