

One Hundred First Legislature - First Session - 2009  
**Introducer's Statement of Intent**  
**LB 75**

---

**Chairperson:** Rich Pahls  
**Committee:** Banking, Commerce and Insurance  
**Date of Hearing:** January 26, 2009

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

**LB 75** would clarify that Nebraska financial institutions may impose access charges against customers of foreign financial institutions without violating the non-discrimination provisions of **Neb.Rev.Stat. § 8-157.01**. While existing law allows for such charges to be imposed on customers of Nebraska financial institutions and customers of out-of-state financial institutions, the law is not clear regarding the ability to impose such fees upon customers of foreign financial institutions.
