

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 769

Chairperson: Brad Ashford
Committee: Judiciary
Date of Hearing: January 22, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Marriage license applicants must provide "satisfactory documentary proof" of name, address and birth data and affirm that the information is correct. Last summer the ACLU questioned the types of documentation required by some county clerks. Because county clerks have no guidance to determine the types of documents that are acceptable, they should be specifically protected from liability if the documents presented are incorrect or fraudulent.
