

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 787

Chairperson: Deb Fischer
Committee: Transportation and Telecommunications
Date of Hearing: February 1, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 787 statutorily creates a nonvoting ex-officio legislative member on the Nebraska Information Technology Commission (NITC). The member would be from the Legislature's Transportation & Telecommunications Committee, and would be appointed by the Executive Board.

The Transportation & Telecommunications Committee is the legislative body that most closely deals with the complexity of the telecommunications field, and the NITC is an excellent resource to keep the committee and the Legislature as a whole informed of the state's overall policy and direction in this field.
