

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 813

Chairperson: Rich Pahls
Committee: Banking, Commerce and Insurance
Date of Hearing: February 16, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Currently a prepaid dental service plan includes certain dental services which are covered under the dental services plan. Dental services which are not included in the plan are considered “non-covered” services. Generally, a prepaid dental plan patient receives a discount only on covered services. This bill makes it clear that a prepaid dental plan may not limit the fee a dentist may charge a plan patient for a service which is not covered under the prepaid dental plan.
