

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 848

Chairperson: Amanda McGill
Committee: Urban Affairs
Date of Hearing: January 26, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 848 changes State Statute 16-707 requiring when the board of equalization in a city of the first class meets to be consistent with those of metropolitan and second class cities. The current language requires cities of the first class to meet on the first Monday in the month of June whereas metropolitan and second class cities are not statutorily required to meet on any specific date. The change in 16-707 allows the board of equalization to meet when deemed necessary due to business requiring public discussion.
