

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 884

Chairperson: Steve Lathrop
Committee: Business and Labor
Date of Hearing: January 25, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

This bill would require employers to provide an employee with an itemized statement of wages and deductions, as this statement is required for individuals to qualify for loans or enter into other financial contracts and current law does not require employers to issue such a statement. The statement would have to be furnished within ten business days of the employee's request. If an injunction must be ordered for the employer to comply, then reasonable attorney's fees will be awarded to the employee.
