17 necessary for the laying, relaying, operation, and maintenance
18 of any such pipeline or the location of any plant or equipment
19 necessary to operate such pipeline, shall have the right to acquire
20 the same for such purpose through the exercise of the power of
21 eminent domain, except that for any major oil pipeline as defined
22 in section 5 of this act to be placed in operation in the State of
23 Nebraska after the effective date of this act, any such person,

1 company, corporation, or association shall apply for and receive
2 an order approving the application under the Major Oil Pipeline
3 Siting Act or submit a letter of intent to file an application
4 or file an application and receive the approval of the Governor

10 this section expires. The procedure to condemn property shall be
11 exercised in the manner set forth in sections 76-704 to 76-724.

15 interest. In determining whether the pipeline carrier has met its
16 burden, the commission shall not evaluate safety considerations,
17 including the risk or impact of spills or leaks from the major oil
