Summary of purpose and/or changes:

LB404 (Pirsch) would amend section 81-1201.11 to provide that the Department of Economic Development shall include in its annual status report, which it must submit to the Governor and the Legislature, information detailing the status of all programs administered by the department for which the Legislature requires reporting. The bill would require that the status report shall be submitted on the first working day of July rather than the first working day of October. (Section 4 of the bill.)

The bill would amend section 2-5422 of the Agricultural Opportunities and Value-Added Partnerships Act, section 13-2709 of the Civic, Cultural, and Convention Center Financing Act, section 58-711 of Nebraska Affordable Housing Act, section 81-1205 of the job training grant statutes, section 81-1277 of the Business Development Partnership Act, section 81-12,104 of the Microenterprise Development Act, section 81-12,135 of the Nebraska Operational Assistance Act, and section 81-2605 of the Rural Development Commission statutes to provide that annual report requirements in those sections shall be included in the department's annual status report. (Sections 1 to 3 and 5 to 9 of the bill.)

The bill would provide that it becomes operative on January 1, 2012. (Section 10 of the bill.)
