Summary of purpose and/or changes:

LB 576 creates the Nebraska Statutes Cash Fund. All money received from the sale of supplements and reissued or replacement volumes would be credited to this fund. Currently, any money received from such sales goes to the general fund.

Explanation of amendments:

The committee amendment strikes the original sections and creates the Nebraska Statutes Cash Fund and the Nebraska Statutes Distribution Cash Fund. The Nebraska Statutes Cash Fund would be used by the Legislative Council to offset the charges for the publication of the supplements and reissued or replacement volumes. The Nebraska Statutes Distribution Cash Fund would be used by the Supreme Court to offset distribution costs. Publication and distribution costs would be set by the Executive Board.

John Wightman, Chairperson
