Summary of purpose and/or changes:

Current law allows a county board of supervisors to terminate a township board if the township board has become inactive. If the township board has become inactive, the board holds a public hearing on the issue of terminating the township board.

If no appointment to the township board has been made within 30 days after the hearing, the county board adopts a resolution to terminate the township board. LB 936 provides that the resolution will state the effective date of the termination. Current law provides the terminations will occur on the following June 30, or if the resolution is adopted on or after June 1 but before June 30, the township board terminates on the following July 31.

Explanation of amendments:

The committee amendment adds the emergency clause to the bill.

Bill Avery, Chairperson
