LB 142, as amended, changes provisions of the Campaign Finance Limitation Act so that no candidate for a covered elective office shall accept contributions from independent committees, businesses, including corporations, unions, industry, trade, or professional associations, and political parties which, when aggregated, are in excess of seventy-five percent of the spending limitation for the office set pursuant to section 32-1604.

Currently, such limitation is set at fifty percent.

The Accountability and Disclosure Commission estimates the cost to change and reprint certain publications to be \$250. Since this amount is minimal, the Commission can absorb these costs with currently budgeted resources.
