LB 352

Revision: 00

FISCAL NOTE

LEGISLATIVE FISCAL ANALYST ESTIMATE

ESTIMATE OF FISCAL IMPACT – STATE AGENCIES *				
	FY 2011-12		FY 2012-13	
	EXPENDITURES	REVENUE	EXPENDITURES	REVENUE
GENERAL FUNDS				
CASH FUNDS				
FEDERAL FUNDS				
OTHER FUNDS				
TOTAL FUNDS				

*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 352 changes the definition of an airport hazard area as it relates to airport zoning.

The Department of Aeronautics has estimated that it will take existing staff approximately two years and two months to prepare the new zoning maps for the 81 public use airports in Nebraska. The Department will absorb this additional workload. No additional appropriation is requested.

No fiscal impact on political subdivisions is anticipated since the Department will be producing the new zoning maps for adoption by the local zoning authority.
