Committee: Natural Resources

A BILL

1 FOR AN ACT relating to water; to amend sections 46-236 and 46-1224,  
2 Reissue Revised Statutes of Nebraska; to change  
3 provisions relating to appropriations for water power and  
4 water well registration fees; and to repeal the original  
5 sections.

6 Be it enacted by the people of the State of Nebraska,

1           Section 1. Section 46-236, Reissue Revised Statutes of  
2 Nebraska, is amended to read:

3           46-236 An application for appropriation of water for  
4 water power shall meet the requirements of section 46-234 and  
5 subsection (1) of section 46-235 to be approved. Within six months  
6 after the approval of an application for water power ~~as provided for~~  
7 ~~in section 46-234~~ and before placing water to any beneficial use, the  
8 applicant shall enter into a contract with the State of Nebraska,  
9 through the department, for leasing the use of all water so  
10 appropriated. Such lease shall be upon forms prepared by the  
11 department, and the time of such lease shall not run for a greater  
12 period than fifty years; and for the use of water for power purposes  
13 the applicant shall pay into the state treasury on or before January  
14 1 each year fifteen dollars for each one hundred horsepower for all  
15 water so appropriated. Upon application of the lessee or its assigns,  
16 the department shall renew the lease so as to continue it and the  
17 water appropriation in full force and effect for an additional period  
18 of fifty years.

19           Upon the failure of the applicant to comply with any of  
20 the provisions of such lease and the failure to pay any of such fees,  
21 the department shall notify the lessee that the required fees have  
22 not been paid to the department or that the lessee is not otherwise  
23 in compliance with the provisions of the lease. If the lessee has not  
24 come into compliance with all provisions of the lease or has not paid  
25 to the department all required fees within fifteen calendar days

1 after the date of such notice, the department shall issue an order  
2 denying the applicant the right to divert or otherwise use the water  
3 appropriation for power production. The department shall rescind the  
4 order denying use of the water appropriation at such time as the  
5 lessee has come into compliance with all provisions of the lease and  
6 has paid all required fees to the department. If after forty-five  
7 calendar days from the date of issuance of the order the lessee is  
8 not in compliance with all provisions of the lease or required fees  
9 have not been paid to the department, such lease and water  
10 appropriation shall be canceled by the department.

11 Sec. 2. Section 46-1224, Reissue Revised Statutes of  
12 Nebraska, is amended to read:

13 46-1224 (1) Except as otherwise provided in subsections  
14 (2) through (4) of this section, the board shall set reasonable fees  
15 in an amount calculated to recover the costs incurred by the  
16 department and the board in administering and carrying out the  
17 purposes of the Water Well Standards and Contractors' Practice Act.  
18 Such fees shall be paid to the department and remitted to the State  
19 Treasurer for credit to the Water Well Standards and Contractors'  
20 Licensing Fund, which fund is hereby created. Such fund shall be used  
21 by the department and the board for the purpose of administering the  
22 Water Well Standards and Contractors' Practice Act. Additionally,  
23 such fund shall be used to pay any required fee to a contractor which  
24 provides the on-line services for registration of water wells. Any  
25 discount in the amount paid the state by a credit card, charge card,

1 or debit card company or a third-party merchant bank for such  
2 registration fees shall be deducted from the portion of the  
3 registration fee collected pursuant to this section. Any money in the  
4 fund available for investment shall be invested by the state  
5 investment officer pursuant to the Nebraska Capital Expansion Act and  
6 the Nebraska State Funds Investment Act.

7 (2) Fees for credentialing individuals under the Water  
8 Well Standards and Contractors' Practice Act shall be established and  
9 collected as provided in sections 38-151 to 38-157.

10 (3) The board shall set a fee of not less than twenty-  
11 five dollars and not more than forty dollars for each water well  
12 which is required to be registered and which is designed and  
13 constructed to pump ~~less than~~ fifty gallons per minute or less and  
14 each monitoring and observation well and a fee of not less than forty  
15 dollars and not more than eighty dollars for each water well which is  
16 required to be registered and which is designed and constructed to  
17 pump more than fifty gallons per minute. ~~or more.~~ For water wells  
18 permitted pursuant to the Industrial Ground Water Regulatory Act, the  
19 fee set pursuant to this subsection shall be collected for each of  
20 the first ten such water wells registered, and for each group of ten  
21 or fewer such water wells registered thereafter, the fee shall be  
22 collected as if only one water well was being registered. For a  
23 series of two or more water wells completed and pumped into a common  
24 carrier, as defined in section 46-601.01, as part of a single site  
25 plan for irrigation purposes, the fee set pursuant to this subsection

1 shall be collected for each of the first two such water wells  
2 registered. For a series of water wells completed for purposes of  
3 installation of a ground heat exchanger for a structure for utilizing  
4 the geothermal properties of the ground, the fee set pursuant to this  
5 subsection shall be collected as if only one water well was being  
6 registered. For water wells constructed as part of a single site plan  
7 for monitoring ground water, obtaining hydrogeologic information, or  
8 extracting contaminants from the ground and for water wells  
9 constructed as part of remedial action approved by the Department of  
10 Environmental Quality pursuant to section 66-1525, 66-1529.02, or  
11 81-15,124, the fee set pursuant to this subsection shall be collected  
12 for each of the first five such water wells registered, and for each  
13 group of five or fewer such water wells registered thereafter, the  
14 fee shall be collected as if only one water well was being  
15 registered. The fees shall be remitted to the Director of Natural  
16 Resources with the registration form required by section 46-602 and  
17 shall be in addition to the fee in section 46-606. The director shall  
18 remit the fee to the State Treasurer for credit to the Water Well  
19 Standards and Contractors' Licensing Fund.

20 (4) The board shall set an application fee for a  
21 declaratory ruling or variance of not less than fifty dollars and not  
22 more than one hundred dollars. The fee shall be remitted to the State  
23 Treasurer for credit to the Water Well Standards and Contractors'  
24 Licensing Fund.

25 Sec. 3. Original sections 46-236 and 46-1224, Reissue

1 Revised Statutes of Nebraska, are repealed.
