

## ONE HUNDRED SECOND LEGISLATURE

## FIRST SESSION

**LEGISLATIVE RESOLUTION 208**

Introduced by McGill, 26.

PURPOSE: The purpose of this resolution is to determine the best manner in which to license certified applied behavioral analysts in Nebraska. Such masters and doctoral level professionals are trained to conduct empirically based behavioral therapy and are not currently licensed under Nebraska law. LB 630 (2011) proposes a method for licensure, however modifications are needed. The committee should review LB 630 and any proposed amendments to find a solution to the issue.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED SECOND LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Health and Human Services Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
