LR248 LR248

ONE HUNDRED SECOND LEGISLATURE

FIRST SESSION

LEGISLATIVE RESOLUTION 248

PURPOSE: The purpose of this interim study is to examine the accessibility of health care providers for persons on medicaid in Nebraska. The committee shall conduct a study that includes, but is not limited to, an examination of the following issues:

- (1) An analysis of the geographic distribution of medicaid providers by category of provider;
- (2) A historical review of the impact of provider rates on the number of providers who accept medicaid;
- (3) An analysis of the prevalence of providers who accept medicaid but limit the number of medicaid-eliqible patients in their practice;
- (4) A review of the impact of medicaid managed care on provider accessibility; and
- (5) An examination of the potential impact on provider availability of the medicaid expansion as a result of the federal Patient Protection and Affordable Care Act, Public Law 111-148.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED SECOND LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Appropriations Committee and the Health and Human Services Committee of the Legislature shall be designated to conduct a joint interim study to carry out the purposes of this resolution.

LR248

2. That the committees shall upon the conclusion of the study make a report of their findings, together with their recommendations, to the Legislative Council or Legislature.
