

## ONE HUNDRED SECOND LEGISLATURE

## FIRST SESSION

**LEGISLATIVE RESOLUTION 285**

Introduced by Conrad, 46.

PURPOSE: The purpose of this resolution is to study the nursing shortage in Nebraska. A nursing shortage impacts many settings, including hospitals, long-term health care facilities, health clinics, schools, homes, and community and public health centers. The study should explore ways in which the State of Nebraska can be proactive in helping to alleviate the shortage and ensure that every citizen has reasonable access to qualified nursing care.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED SECOND LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Appropriations and Health and Human Services Committees of the Legislature shall be designated to conduct a joint interim study to carry out the purposes of this resolution.

2. That the committees shall upon the conclusion of the study make a report of their findings, together with their recommendations, to the Legislative Council or Legislature.
