**Committee: Appropriations**

**Date of Hearing: February 06, 2012**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1015 amends section 43-536 and would restore the child care reimbursement rate from the base rate of fifty percent (made last session to help address a budget shortfall) to sixty percent of the current market rate survey.

The reimbursement rate is determined from a biannual market rate survey conducted by the Department of Health and Human Services.
