The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 1084 seeks to allow public hunting, fishing, and fur harvesting on school lands owned by the Board of Educational Lands and Funds, subject to the Game Law and rules promulgated by the Board of Educational Lands and Funds with respect to public safety and land use.

The bill would require beginning October 1, 2012 that as old leases expire and new leases are entered into the lease would require public hunting, fishing, and fur harvesting.
