The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1096 amends the criminal code to prohibit a person from entering the vehicle of another without the permission of the owner of the vehicle for purposes of committing a crime.

A violation under this section would be a Class II misdemeanor for a first offense, a Class I misdemeanor for a second offense, and a Class IV felony for third or subsequent offenses.

This bill would also provide that a conviction under this act shall be treated as a separate and distinct offense from any other offense arising out of these alleged acts.
