

One Hundred Second Legislature - First Session - 2011

Introducer's Statement of Intent

LB271

Chairperson: Senator John Wightman

Committee: Executive Board

Date of Hearing: March 03, 2011

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 271 would repeal the office of Legislative Research within the Legislative Council and eliminate statutory references to the position of Director of Research of the Legislature.

LB 271 was introduced as a result of the LR 542 (2010) process which, because of budget shortfalls, required the Executive Board to identify Legislative Council services, programs and obligations that could be reduced or eliminated during the 2011 session.
