

One Hundred Second Legislature - Second Session - 2012

Introducer's Statement of Intent

LB769

Chairperson: Senator Deb Fischer

Committee: Transportation and Telecommunications

Date of Hearing: January 17, 2012

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 769 eliminates the issuance of duplicate and replacement driver licenses by county treasurers. The remaining duties of the county treasurer's staff will be the collection of license fees and issuance of the 30 day temporary document.

Federal law will require all individuals who can effect information on driver licenses and identification cards to undergo background checks and Fraudulent Document Recognition training. Removing the counties from the process of issuing duplicate and replacement documents removes them from this requirement.
