8 local preservation ordinance that has been approved by the officer.

9 Sec. 3. (1) Any person incurring eligible expenditures
10 may receive a nonrefundable credit against any income tax imposed
11 by the Nebraska Revenue Act of 1967, or any tax imposed pursuant to
12 sections 77-907 to 77-918 or 77-3801 to 77-3807, for the year the
13 historically significant real property is placed in service. The
14 amount of the credit shall be equal to twenty percent of eligible
15 expenditures up to and including five million dollars.

16 (2) To claim the credit authorized under this section, a
17 person shall comply with each of the following requirements:

18 (a) Prior to commencing work on the historically
19 significant real property, a person shall file an application
20 containing all required information with the officer on a form
21 prescribed by the officer and shall include an application fee
22 established by the officer pursuant to section 4 of this act.
23 The officer shall determine whether to approve, approve with
24 conditions, or deny the application and shall provide the person
25 filing the application and the Department of Revenue with written
26 notice of the officer's determination. If the officer does not
27 provide a written notice of his or her determination within thirty

1 days after the date the person files an application containing all
2 required information, the application shall be deemed approved; and

3 (b) Within twelve months after the date on which the
4 historically significant real property is placed in service, a
5 person whose application was approved under subdivision (2)(a) of
6 this section shall file a request for final approval containing
7 all required information with the officer on a form prescribed
8 by the officer and shall include a fee established by the
9 officer pursuant to section 4 of this act. The officer shall
10 then determine whether the work substantially conforms to the
11 application approved under subdivision (2)(a) of this section.
12 If the work substantially conforms and no other significant
13 improvements have been made to the historically significant real
14 property that do not substantially comply with the standards,
15 the officer shall approve the request for final approval and
16 refer the application to the Department of Revenue to determine
17 the amount of eligible expenditures, calculate the amount of
18 the credit, and issue a certificate to the person evidencing
19 the credit. If the work does not substantially conform to the
20 approved application or if other significant improvements have been
21 made to the historically significant real property that do not
22 substantially comply with the standards, the officer shall deny the
23 request for final approval and provide the person with a written
24 explanation of the decision. The officer shall make a determination
25 on the request for final approval in writing within thirty days
26 after the filing of the request. If the officer does not make a
27 determination within thirty days after the filing of the request,

1 the request shall be deemed approved and the person may petition
2 the Department of Revenue directly to determine the amount of
3 eligible expenditures, calculate the amount of the credit, and
4 issue a certificate evidencing the credit. The department shall
5 divide the credit and issue multiple certificates to a person who
6 qualifies for the credit upon reasonable request.

7 (3) The Department of Revenue shall not issue any
8 certificates for credits under subsection (2) of this section
9 until the recipient of the credit has paid to the department a fee
10 equal to the lesser of either one-quarter of one percent of the
11 credit amount or twenty-five thousand dollars. The department shall
12 remit such fees to the State Treasurer for credit to the Civic and
13 Community Center Financing Fund.

14 (4) Notwithstanding subdivision (2)(a) of this section,
15 the person applying for the credit authorized under this section
16 may, at its own risk, incur eligible expenditures up to six
17 months prior to the submission of the application required under
18 subdivision (2)(a) of this section if such eligible expenditures
19 are limited to architectural fees, accounting and legal fees, and
20 any costs related to the protection of the historically significant
21 real property from deterioration.

22 (5) If the recipient of the credit is (a) a corporation
23 having an election in effect under subchapter S of the Internal
24 Revenue Code of 1986, as amended, (b) a partnership, or (c)
25 a limited liability company, the credit may be claimed by the
26 shareholders of the corporation, the partners of the partnership,
27 or the members of the limited liability company in the same manner

1 as those shareholders, partners, or members account for their
2 proportionate shares of the income or losses of the corporation,
3 partnership, or limited liability company, or as provided in the
4 bylaws or other executed agreement of the corporation, partnership,
5 or limited liability company. Credits granted to a partnership, a
6 limited liability company taxed as a partnership, or other multiple
7 owners of property shall be passed through to the partners,
8 members, or owners, respectively, on a pro rata basis or pursuant
9 to an executed agreement among the partners, members, or owners
10 documenting any alternate distribution method.

11 (6) Any credit amount that is unused may be carried
12 forward to subsequent tax years until fully utilized.

13 (7) Credits allowed under this section may be claimed for
14 taxable years beginning or deemed to begin on or after January 1,
15 2015, under the Internal Revenue Code of 1986, as amended.

16 Sec. 4. The officer shall establish and collect the
17 application fee required pursuant to subdivision (2)(a) of section
18 3 of this act and the fee for the request for final approval
19 required pursuant to subdivision (2)(b) of section 3 of this act.
20 Such fees shall be in amounts sufficient to offset the costs of
21 processing and monitoring applications filed under the Nebraska
22 Job Creation and Mainstreet Revitalization Act. Such fees shall be
23 remitted by the officer to the State Treasurer for credit to the
24 Nebraska Job Creation and Mainstreet Revitalization Fund.

25 Sec. 5. All or a portion of the credit received under
26 section 3 of this act shall be subject to recapture from the person
27 filing the original application under section 3 of this act by

1 the Department of Revenue if at any time during the five years
2 after the historically significant real property is placed into
3 service the officer or the Department of Revenue determines the
4 historically significant real property has been the subject of work
5 not in substantial conformance with the standards, the approved
6 application, or the documents from which the credit was calculated.
7 If the person filing the original application is a partnership or
8 limited liability company, the liability of the partners or members
9 for recapture shall be proportionate to their ownership in the
10 applicant partnership or limited liability company. Any action to
11 recapture credits under this section may proceed after a written
12 notice is given to the applicant and the applicant is allowed a
13 six-month cure period. Thereafter, the credit shall be subject to
14 recapture as follows:

15 (1) If the event causing recapture occurs during the
16 first year after the historically significant real property is
17 placed into service, one hundred percent of the credit may be
18 recaptured;

19 (2) If the event causing recapture occurs during the
20 second year after the historically significant real property
21 is placed into service, eighty percent of the credit may be
22 recaptured;

23 (3) If the event causing recapture occurs during the
24 third year after the historically significant real property is
25 placed into service, sixty percent of the credit may be recaptured;

26 (4) If the event causing recapture occurs during the
27 fourth year after the historically significant real property is

1 placed into service, forty percent of the credit may be recaptured;
2 and

3 (5) If the event causing recapture occurs during the
4 fifth year after the historically significant real property
5 is placed into service, twenty percent of the credit may be
6 recaptured.

7 Sec. 6. Persons eligible for credits under the Nebraska
8 Job Creation and Mainstreet Revitalization Act may transfer, sell,
9 or assign all or any portion of the credits to any person or legal
10 entity by transferring possession of the certificate received for
11 such credits under section 3 of this act to the person acquiring
12 the credits. Credits may be transferred, sold, or assigned multiple
13 times, either in whole or in part. Any person acquiring credits
14 under this section may use such credits to offset up to one hundred
15 percent of such person's income tax due under the Nebraska Revenue
16 Act of 1967, or any tax imposed pursuant to sections 77-907 to
17 77-918 or 77-3801 to 77-3807, in the year the credits are acquired
18 and in subsequent years until all credits have been utilized. The
19 person transferring, selling, or assigning the credits shall notify
20 the officer and the Department of Revenue in writing within fifteen
21 calendar days following the effective date of the transfer, sale,
22 or assignment and shall provide any information as may be required
23 by the Department of Revenue or the officer to administer and
24 carry out the Nebraska Job Creation and Mainstreet Revitalization
25 Act. Such written notification to the Department of Revenue shall
26 perfect the transfer, sale, or assignment of credits. Only the
27 person filing the original application for credits under section

1 3 of this act, and not any person to whom such credits are
2 transferred, sold, or assigned, shall be liable for any recapture
3 of the credits under section 5 of this act. The Department of
4 Revenue shall develop a system to track the transfer, sale, and
5 assignment of credits and to certify the ownership of the credits.
6 The Department of Revenue shall have, with respect to the Nebraska
7 Job Creation and Mainstreet Revitalization Act, all authority
8 granted to it in section 77-27,119.

9 Sec. 7. (1) The Nebraska State Historical Society and

14 Department of Revenue shall issue a joint report electronically to
15 the Revenue Committee of the Legislature no later than December

4 Sec. 8. The Nebraska Job Creation and Mainstreet
5 Revitalization Fund is created. The fund shall be administered by
6 the Nebraska State Historical Society and shall consist of all fees
7 credited to the fund pursuant to section 4 of this act. The fund
8 shall be used to administer and enforce the Nebraska Job Creation
9 and Mainstreet Revitalization Act. Any money in the fund available
10 for investment shall be invested by the state investment officer
11 pursuant to the Nebraska Capital Expansion Act and the Nebraska
12 State Funds Investment Act.

13 Sec. 9. There shall be no new applications filed under
14 the Nebraska Job Creation and Mainstreet Revitalization Act on or

7 within this state. The tax which is attributable to income derived
8 from sources within this state shall be determined by multiplying
9 the liability to this state for a resident estate or trust with
10 the same total income by a fraction, the numerator of which is
11 the nonresident estate's or trust's Nebraska income as determined
12 by sections 77-2724 and 77-2725 and the denominator of which is
13 its total federal income after first adjusting each by the amounts
14 provided in section 77-2716. The federal credit for prior year
15 minimum tax, after the recomputations required by the Nebraska
16 Revenue Act of 1967, reduced by the percentage of the total income

1 (2) In all instances wherein a fiduciary income tax
2 return is required under the provisions of the Internal Revenue
3 Code, a Nebraska fiduciary return shall be filed, except that a
4 fiduciary return shall not be required to be filed regarding a

9 estate or trust for which he or she acts, whether the income be
10 taxable to the estate or trust or to the beneficiaries thereof.
11 The fiduciary shall include in the return a statement of each
12 beneficiary's distributive share of net income when such income is
13 taxable to such beneficiaries.

14 (3) The beneficiaries of such estate or trust who are
15 residents of this state shall include in their income their
16 proportionate share of such estate's or trust's federal income and

18 share of the credits as provided in the Angel Investment Tax Credit
19 Act, the Nebraska Advantage Microenterprise Tax Credit Act, the
20 Nebraska Advantage Research and Development Act, the Nebraska Job
21 Creation and Mainstreet Revitalization Act, and the New Markets Job
