Re: Neb. Rev. Stat. §4-113 Report

Public benefits given to individuals, households, or family eligibility units by the Nebraska Department of Aeronautics would be in the form of grants to individuals or contracts with individuals to provide goods or services.

During the reporting period, January 1, 2012 through December 31, 2012, the Department did not enter into any contracts with individuals to provide goods or services. Nor did the department make any grant or loan disbursements to any privately owned public use airports

The Department of Aeronautics is an E Verify Program participant. We have a process to ensure that all contracts/grants to an individual, entered into after October 1, 2009, comply with Neb. Rev. Stat. § 4-108 *et. seq.*

Respectfully,

Ronnie Mitchell, Director
Nebraska Department of Aeronautics
