

***2013 Calendar Year
Legislative Annual Report***

January 1, 2013 - December 31, 2013

Nebraska Department of Economic Development
301 Centennial Mall South
P.O. Box 94666
Lincoln, NE 68509-4666
www.neded.org

Dear Governor Heineman, Members of the Nebraska Legislature, and Fellow Nebraskans:

I present to you the last Nebraska Department of Economic Development 2013 Calendar Year Annual Report under my leadership. It has been my great honor and privilege to serve as your Director of the Nebraska Department of Economic Development for the past two years and as Commissioner of the Nebraska Department of Labor since 2008.

Featured here, by Nebraska State Statutes, are summarizations of the Department's programs including the Business Innovation Act, Civic and Community Center Financing Fund, Job Training and InternNE, Nebraska Affordable Housing Trust Fund, Nebraska Operational Assistance Act, and Site and Building Development Fund.

As you read along, you will see that the Department continues to provide a wide-ranging scope of outstanding and comprehensive programs and services designed to meet communities' at their most basic and immediate needs while supporting our State's overall objectives of economic growth and prosperity.

Sincerely,

A handwritten signature in black ink that reads "Catherine D. Lang". The script is fluid and cursive.

Catherine D. Lang
Director

Business Innovation Act

The Business Innovation Act (BIA) provided grant funding or commercialization investment to more than 40 companies, helping spur entrepreneurship and support the transfer of Nebraska-based technology and innovation throughout Nebraska. Specifically, the BIA assisted high-growth, high technology companies, small businesses, and microenterprises that create wealth and quality jobs.

Through the BIA, DED provided more than \$5.5 million in funding and leveraged more than \$9 million in non-state investment for innovation projects. Through the Microenterprise Assistance Program, 152 new loans totaling \$1.8 million were made and 1,430 clients were served through technical assistance. Many BIA funding recipients have reported that the BIA funding allowed them to move forward with a project, product, or technology they otherwise would not have been able to advance, sped up commercialization, and led to job creation, increased revenue, and additional investment.

Civic and Community Center Financing Fund

After receiving 30 preliminary applications and 13 full applications, the Department of Economic Development awarded four Civic and Community Center Financing Fund (CCCFF) project in the 2013 project year. A total of \$869,862.58 was awarded to the cities of Ashland, Ogallala, Red Cloud, and York for projects related to the renovation and development of cultural and convention centers, respectively.

The City of Ashland was awarded \$119,862.58 to construct the Community Resource Center, a handicap-accessible library and senior center with a warming kitchen.

The City of Ogallala was awarded \$250,000 to construct the Flat Water Pavilion that covers the entire parking lot south of 2nd St, between East A and North Spruce Streets. The pavilion will be available for public events, such as farmers markets, concerts, craft shows, local school activities and entertainment events.

The City of Red Cloud was awarded \$250,000 to construct a handicap accessible addition to Auld Public Library.

The City of York was awarded \$250,000 to construct the 40,000 sq. ft. Holthus Convention Center with a large, front-covered portico and entry foyer for guests entering the center. Other features will include a large ballroom that accommodates up to 1,200 people, a board room and several meeting rooms.

The Nebraska Legislature renamed the Fund during its 2012 session. It was created in 1999 as the Local Civic, Cultural and Convention Center Fund at the same time that financing assistance was approved for development of the Qwest Center (now named Century Link Center) in Omaha.

A municipality receiving a grant from the Fund must own the civic, cultural, or convention center for which grant assistance is sought. The grant amount can be up to fifty percent of the cost of construction, renovation, or expansion of the center. The maximum grant amount is also determined by the population size of a municipality.

Civic and Community Center Financing Fund

Municipality	Project	Grant Amount	Year Awarded
York	<i>Holthus Convention Center</i>	250,000	2013
Red Cloud	<i>Auld Public Library</i>	250,000	2013
Ogallala	<i>Flat Water Pavillion</i>	250,000	2013
Ashland	<i>Community Resource Center</i>	119,862.58	2013
Total Awards:		\$869,862.58	

Customized Job Training

The Customized Job Training Program oversaw 50 job training projects involving 2,407 employees for a total planned cost of \$5,890,147. Of these projects, 12 were newly-awarded (1,039 employees with a total cost of \$2,751,500) and three were completed (192 employees with a total cost of \$36,728). The remaining 38 projects were awarded before the start of 2013 and remain open until completion. Total Customized Job Training expenditures were \$3,047,451.

Of the 50 active projects, 17 (34%) were for businesses located in counties outside the Lincoln and Omaha Metropolitan Statistical Areas (MSA). Fifteen projects were in the Lincoln MSA (Lancaster and Seward counties) and 20 were in the Omaha MSA (Cass, Douglas, Sarpy, Saunders, and Washington counties).

The majority of projects awarded Customized Job Training funds elected for in-house training (92%). The remaining projects either partnered with a community college or university for training.

Intern Nebraska (InternNE)

The InternNE program had a total of 317 projects during 2013. Of these projects, 45 were closed between January 1, 2013 and December 31, 2013 leaving 272 active projects at the end of 2013. Altogether 370 internship positions were approved and \$1,722,000 granted to the participating companies. Of the awarded positions, 254 were filled within the 2013 calendar year. The InternNE program disbursed \$810,828, of which 40% was reimbursed to 45 companies with contracts that closed during 2013. Of the 317 projects in 2013, 204 were for businesses located within Lancaster, Douglas or Sarpy counties.

Nebraska Affordable Housing Trust Fund

The Nebraska Affordable Housing Trust Fund (NAHTF) was created by the 1996 Nebraska Affordable Housing Act to enhance economic development in the state and provide safe, affordable housing to Nebraska's citizens. Funding is received from the revenue generated through the state's Documentary Stamp Tax. During the 2013 program year, \$4,754,520 was awarded and matched by \$1,128,769; 118 housing units were created; and employment was generated in the amount of 94.7.

Nebraska Operational Assistance Act

The Nebraska Operational Assistance Act requires the Department of Economic Development to maintain a program that assists potential high-growth businesses in establishing a foundation sufficient for the attraction of private equity. This assistance includes:

- market analysis;
- executive recruitment;
- sales and marketing analysis;
- financial projection analysis;
- network;
- business model review;
- business coaching;
- business plan review; and
- intellectual property development.

The program, provided under the Act, may also include the following:

- cooperate with other service entities to facilitate its overall effectiveness;
- develop a statewide system to facilitate venture capital investing;
- identify and provide potential investors with information about opportunities in Nebraska;
- identify entrepreneurs and high-growth businesses and provide them with information about investors seeking investment opportunities;
- develop a clearinghouse and access point for information about venture capital investment opportunities in Nebraska;
- serve as the central organization and clearing house for delivering appropriate education and training programs for potential investors in business enterprises;
- facilitate the formation of private venture capital funds; and
- assist in the formation of intrastate or industry-specific venture capital networks.

Invest Nebraska Corporation, a non-profit, 501(c)(3) venture development organization, was selected by the Department in December 2011 to develop the program under the Act. The organization advises and invests in early stage businesses across the state. Invest Nebraska is governed by an eleven-member volunteer board of directors. These directors bring a wealth of experience that includes: university research and commercialization, venture capital, accounting, investment portfolio management, angel investing, private equity, early-stage entrepreneurial development, patent law, transaction law, and banking. The organization is led by a management team with significant venture capital and economic development experience.

Nebraska Operational Assistance Act (Continued)

Since 2009, Invest Nebraska has provided capital totaling \$488,000 to start-up businesses in Nebraska under this program. This financial assistance is offered in the form of low-interest loans and equity ownership. As of 12/31/13, these businesses received a total of \$4.5 million in follow-on capital.

For each dollar of financial assistance provided by Invest Nebraska, \$10 in follow-on capital was received by the various portfolio companies.

During calendar year 2013, the statewide technical assistance provided by Invest Nebraska under the program resulted in the following metrics:

- reviewed 45 business plans
- engaged 144 entrepreneurs and innovators to discuss their idea and/or business
- provided entrepreneurial assistance to 101 entrepreneurs and innovators
- provided 3,756 hours of free assistance to Nebraska entrepreneurs and innovators
- conducted due diligence on 40 companies for a possible seed/angel investment
- invested \$2.2 million in five high-growth companies in Nebraska
- provided 2,683 hours of technical assistance to Invest Nebraska portfolio companies
- created and supported 31 direct jobs with an average wage of \$71,452
- helped develop the NMotion Accelerator located in Lincoln and mentored five companies participating in the Accelerator
- mentored seven companies participating in the Straight Shot Accelerator program in Omaha
- continued to assist with the organization and development of the eHatchery Initiative in Kearney

Invest Nebraska developed an online clearinghouse and access point for information about angel investment opportunities in Nebraska. Invest Nebraska has selected the gust platform (www.gust.com) as this clearinghouse. Gust, formerly known as angelsoft, provides a global platform for the sourcing and management of early-stage investments. The platform is endorsed by the Angel Capital Association, the World Business Angels Association, the National Angel Capital Organization, and the National Association of Seed and Venture Funds.

Potential or interested accredited angel investors contact Invest Nebraska for access to the clearinghouse. The investors are invited to join the “deal room” through an email invitation. Individuals then receive an email from Invest Nebraska granting them access once they log-on to gust and choose a password. In this deal room, interested angels can review material provided by the company, due diligence Invest Nebraska has completed, and possible comments about the deal. If the angel requires additional information regarding the company, they then contact Invest Nebraska or the owner of the company.

Site and Building Development Fund

The Site and Building Development Act was introduced under LB 388 by the Nebraska State Legislature in January of 2011 at the request of Governor Dave Heineman. LB 388 was part of Governor Heineman’s Talent and Innovation Initiative, a four-part legislative package aimed at advancing business innovation and strengthening workforce recruitment efforts in Nebraska. The bill was adopted during the 102nd Nebraska Legislative Session and signed into law by Governor Heineman. LB 388, which was operative October 3, 2011 was codified in the Nebraska Revised Statutes at §§81-12,144 to 81-12,151.

The purpose of the Site and Building Development Act, as stated in Neb. Rev. Stat. §81-12,145 is to assist in the provision of industrial-ready sites and buildings in all areas of the state to create “conditions favorable to meeting the industrial readiness of the state.”

Approval continued for Site and Building Development Fund (SBDF) projects for the 2013 calendar year. Funding for a speculative industrial site was granted to Box Butte Development with a \$286,200 award. First priority SBDF projects that were approved throughout the year included Grand Island Area Economic Development Corp for \$500,000 benefitting Case New Holland, Sarpy County for \$750,000 benefitting Travelers Indemnity, the Lincoln Partnership for Economic Development for \$400,000 benefitting Neogen/GeneSeek, and the City Of Minatare for \$125,000 benefitting Henwil.

Site and Building Development projects approved during the 2013 calendar year have been included in the table below:

Approval Date	Recipient	Benefitting Business	Award Amounts
March 2013	Box Butte Development Corp	Speculative Industrial Site	\$286,200
May 2013	Grand Island Area EDC	Case NH	\$500,000
August 2013	Sarpy County	Travelers Indemnity	\$750,000
September 2013	Lincoln Partnership for Economic Development	Neogen/GeneSeek	\$400,000
October 2013	City of Minatare	Henwil	\$125,000
			Total: \$2,061,200
