Dear Mr. O'Donnell:

In accordance with the Legislative Bill 195 (2013), please find attached the quarterly report required from the Department of Health and Human Services on ACCESSNebraska for the time period April 1, 2014 through June 30, 2014.

Information explaining this quarter's report submission is provided at the beginning of the report.

Sincerely,

Thomas D. Pristow, MSW, ACSW  
Director, Division of Children and Family Services  
Department of Health and Human Services

LB 195 Report – Department of Health Human Services – Division of Children and Family Services

Report for period of April 1, 2014 through June 30, 2014

**Element One: Number of days in increments that it takes to process applications (approval or denial) for Aid to Dependent Children, Supplemental Nutrition Assistance Program, Aid to the Aged, Blind and Disabled, and Child Care Subsidy Program, overall and broken down by county.**

Please see attached report.

**Element Two: Number of days in increments that it takes to process applications for Medicaid and Children’s Health Insurance Program, separating the data for applicants not applying on the basis of disability from applicants applying on the basis of disability, overall and broken down by county.**

This information was submitted by the Division of Medicaid and Long Term Care.

**Element Three: Reasons for benefit applications processing delays (department, client or third party) for all applications that are processed beyond federal and state timeliness in Aid to Dependent Children, Supplemental Nutrition Assistance Program, Aid to the Aged, Blind and Disabled, Medicaid and Children’s Health Insurance Program statewide, and Child Care subsidy program, overall and broken down by county. This shall include the number of cases for each respective reason (department, client, third party).**

This report is unavailable due to data elements required for report are not collected and stored in N-FOCUS. This will be available starting with the July – September 2014 report.

**Element Four: The number of case closures in Medicaid, Children’s Health Insurance Program, Aid to Dependent Children, Supplemental Nutrition Assistance Program, Aid to the Aged, Blind and Disabled, and Child Care subsidy program, and the reason for the closure statewide and overall and broken down by county.**

Please see attached report. This information is combined with the data collected for element five of this report.

**Element Five: The number of case closures due to failure to recertify benefits, including failing to timely provide information, failing to perform a case review, or failing to appear for an appointment, overall and broken down by county.**

Please see attached report. This information is combined with the data collected for element four of this report.

**Element Six: Total number of first time applicants for benefits categorized by state and county and by month.**

Please see attached report. This information is combined with the data collected for element seven of this report.

**Element Seven: The percentage of applications that are re-applications, categorized by state and county and by month.**

Please see attached report. This information is combined with the data collected for element six of this report.

**Element Eight: The percentage of individuals whose cases are closed who reapply for benefits within thirty days and sixty days after case closure, categorized by state and county, and by month.**

Please see attached report. Please note that customers who have received a notice of closure and then reapply before benefits expire are not shown on this report.

**Element Nine: Average wait time for call center response. The average wait time starting from the time when the call is transferred to the customer service center to the time when the worker answers the call.**

Month/Quarter	Average Wait Time
April 2014	0:11:58
May 2014	0:12:30
June 2014	0:14:42
April – June 2014 Quarter	0:13:04

**Element Ten: The number of client call terminations (client hang ups) that occur prior to speaking with a staff member and the average length of time starting from the time when the call is transferred to the customer service center to the time when the caller terminates the call.**

Month/Quarter	Number of Abandons	Average Abandon Delay
April 2014	10773	00:08:25
May 2014	11013	00:09:12
June 2014	12785	00:10:20
April – June 2014 Quarter	34571	00:09:19

**Element Eleven: Average number of minutes per delivery system transaction or task, based on type of transaction, including, but not limited to, application management (new, review, renewal), interviewing (high and low priority), application processing (processing initial, processing daily, processing ready), and change management.**

Data regarding the number of minutes per delivery to process a task is not available. A report reflecting the number of days to complete a work task is attached.

**Element Twelve: The number of hours and the number of days when call center responses are at a maximum and clients receive a busy signal when calling.**

Please see attached report. This report is provided to the Department by the Office of the Chief Information Officer (OCIO). The total number of lines for CFS-EA is 207 lines. There are 92 lines dedicated for Omaha area callers and the remaining 115 lines are for those calling from the remainder of the state.

**Element Thirteen: It is the intent of the Legislature that the department submit a report to the Clerk of the Legislature that includes the following monthly information on a quarterly basis for the workers in the ACCESSNebraska call centers and in local offices: The number of social service workers, eligibility technicians, and social service lead workers and the number of vacancies are in these positions at the beginning of each month; the number of these positions vacated within a month; and the number of these positions filled within a month.**

Please see attached report with the requested data for social service workers and social service lead workers. CFS-EA does not have workers with the title of eligibility technician.

Note: If a county had no individuals closed for 03/01/2014, the county will not appear on the list. The county may have had individuals who applied for programs within 60 days of 03/01/2014, however they are not considered re-applications for benefits which were closed as of 03/01/2014.

The "Number of Persons Closed Effective..." column provides a reflective count of the individuals who were involved in each type of program case. The entries under "Total" are not a true reflection of the number of individuals closed due to an individual's

Note: If a county had no individuals closed for 04/01/2014, the county will not appear on the list. The county may have had individuals who applied for programs within 60 days of 04/01/2014, however they are not considered re-applications for benefits which were closed as of 04/01/2014.

The "Number of Persons Closed Effective..." column provides a reflective count of the individuals who were involved in each type of program case. The entries under "Total" are not a true reflection of the number of individuals closed due to an individual's

Note: If a county had no individuals closed for 05/01/2014, the county will not appear on the list. The county may have had individuals who applied for programs within 60 days of 05/01/2014, however they are not considered re-applications for benefits which were closed as of 05/01/2014.

The "Number of Persons Closed Effective..." column provides a reflective count of the individuals who were involved in each type of program case. The entries under "Total" are not a true reflection of the number of individuals closed due to an individual's
