Summary of purpose and/or changes:

Summary of purpose and/or changes:

The bill corrects statutory changes enacted by a major recodification of the Motor Vehicle Certificate of Title Act in 2005, which incorrectly designated the cash funds into which motor vehicle title fees were to be deposited. A clean up bill in 2012, LB751, inadvertently omitted some sections directing the deposit of motor vehicle title fees into various cash funds.

Section by Section Summary:

Section 1 amends section 60-155(2), which allocates fees received by the department for notation of liens, by moving \$4 of each \$7 fee to the Department of Motor Vehicles Cash Fund from the Motor Carrier Division Cash Fund.

Section 2 amends section 60-156(2), which allocates fees collected by the department from issuance of duplicate certificates of title, by moving \$4 of each \$14 fee to the Department of Motor Vehicles Cash Fund from the Motor Carrier Division Cash Fund.

Section 3 repeals original sections.

Section 4 declares an emergency.
