Summary of purpose and/or changes:

LB336 (Carlson) would amend section 44-710 to provide that premium rates for sickness and accident insurance policies subject to the federal Patient Protection and Affordable Care Act shall be approved by the Director of Insurance before they are used in Nebraska. Policies subject to the bill would include any policy or certificate of sickness and accident insurance issued to or for associations not domiciled in Nebraska other than a certificate issued to an employee under an employee benefit plan of an employer headquartered in another state.
