This bill would create the offense of disarming a peace officer, and makes the offense a Class III felony (Maximum — twenty years imprisonment, or twenty-five thousand dollars fine, or both; Minimum — one year imprisonment).

The provisions of this bill could impact state and local criminal justice resources (courts, law enforcement, prosecutors, public defenders, probation, prisons, and jails). It is unknown how many individuals would violate the provisions of this bill, and therefore, it will have an indeterminate impact on criminal justice expenditures. Additionally, any fines assessed pursuant to convictions will accrue to the county where the violation occurs to be used for the support of public schools.

The FY12 per diem for an individual inmate was \$6,454 per year. This is the cost for food, medical care, inmate wages, clothing, cleaning supplies, food service supplies, cell and dorm supplies, other supplies, and transportation.

As of December 31, 2012, the inmate population was 143.81% of design capacity.
