

ONE HUNDRED THIRD LEGISLATURE

FIRST SESSION

LEGISLATIVE RESOLUTION 218

Introduced by Campbell, 25.

PURPOSE: To study fetal alcohol spectrum disorders (FASD) in Nebraska, including terminology and definitions, how FASDs are caused, how they can be prevented, if and how they are treated, their prevalence, and their economic impact. The study shall seek information from resources including, but not limited to, Nebraska state agencies and behavioral health regions, physicians, judges, behavioral health practitioners, researchers, teachers, substance abuse treatment professionals, other states, and federal agencies.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED THIRD LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Health and Human Services Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
