

ONE HUNDRED THIRD LEGISLATURE

SECOND SESSION

LEGISLATIVE RESOLUTION 523

Introduced by Dubas, 34.

PURPOSE: The purpose of this resolution is to study alternative transportation options and recommend potential changes to Nebraska's statutes. The Legislature recognizes there have been technological advances in personal transportation options to reduce emissions, reduce costs, increase accessibility, and improve health. Alternative transportation to be studied may include, but not be limited to, bicycles, e-bicycles, autocycles, and driverless vehicles. The study should examine the safety implications, economic impacts, and basic fairness in existing Nebraska law and the approaches of other states.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED THIRD LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Transportation and Telecommunications Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
