

One Hundred Third Legislature - First Session - 2013

Introducer's Statement of Intent

LB172

Chairperson: Senator Brad Ashford

Committee: Judiciary

Date of Hearing:

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

This bill clarifies the original intent of LB 157 (2011), which was to require guardians and conservators to send out inventories of their wards' estates to interested parties following such guardians'/conservators' appointments. Along with such inventories, a guardian/conservator also sends a form for such interested persons to fill out and return to the court affirming that they wish to continue to receive further notification about future proceedings related to the ward. Thus, if the interested person does not return such form to the court, the guardian/conservator does not need to send any notifications about the proceedings to such person thereafter.
