LB208

Chairperson: Senator Amanda McGill

Committee: Urban Affairs

Date of Hearing: February 12, 2013

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB208 makes the following changes:

Eliminates the requirement that the district obtain a bond of not less than \$10,000 on the president's performance;

Adds language that allows for the board to decrease the president's salary;

Removes language that "an employee must be placed upon the permanent employees by a unanimous vote of the full board of directors", as it relates to removal. It continues to allow the board to remove an employee by two thirds vote of the board and then only for cause;

Allows the board to establish its own standards for the placing of hydrants as long as such rules do not violate any rules and regulations adopted and promulgated by the Department of Health and Human Services.
