

One Hundred Third Legislature - First Session - 2013

Introducer's Statement of Intent

LB330

Chairperson: Senator Kathy Campbell

Committee: Health and Human Services

Date of Hearing: March 14, 2013

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The intent of LB 330 is to make changes to the Supplemental Nutrition Assistance Program (SNAP) in order to allow working families to increase their wages without losing the vital support of SNAP. The bill would keep the current net income limits in SNAP, but increase the gross income limit, which would allow families that can show that their expenses make it hard to buy food to be eligible for SNAP.
