**Chairperson: Senator Bill Avery**

**Committee: Government, Military and Veterans Affairs**

**Date of Hearing: March 07, 2013**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 509 amends Nebraska State Statutes 32-546.01, 32-555.01, and 79-2117 in order to change election membership of learning community coordinating councils.

Beginning with the coordinating council elected in 2014, taking office in January 2015, this bill would ensure one coordinating council member would be elected per each public school district that is a member of the learning community.

The current learning community coordinating council is comprised of 18 members, 12 elected from six subcouncils, and 6 appointed from public school boards.
