15 approval by the department and is required to report testing results to
16 the manufacturer in a manner determined by the department.

17 Sec. 20. (1) Except as otherwise provided in section 32 of this
18 act, the department shall register up to four compassion centers in each

26 of chemical compositions of any plant of the genus cannabis that will
27 likely be medically beneficial for each of the qualifying medical
28 conditions. The department shall make this information available to
29 patients with qualifying medical conditions beginning December 1, 2015,
30 and update the information annually. The department may consult with an
31 independent laboratory under contract with a manufacturer or other

1 experts in reporting the range of recommended dosages for each qualifying
2 medical condition, the range of chemical compositions that will likely be
3 medically beneficial, and any risks of noncannabis drug interactions. The
4 department shall consult with each manufacturer on an annual basis on
5 medical cannabis offered by the manufacturer. The department shall
6 publish a list of medical cannabis offered by each manufacturer on the
7 department's web site.

8 Sec. 22. (1) The department shall adopt and promulgate rules and
9 regulations necessary for a compassion center to begin distribution of
10 medical cannabis to patients enrolled in the registry program by January
11 1, 2017, and publish notice of the proposed rules and regulations prior
12 to July 1, 2016.

13 (2) The department shall, by May 1, 2016, advise the public and the
14 Medical Cannabis Board if the department is unable to register three
15 manufacturers by June 1, 2016. The department shall provide a written
16 statement as to the reason or reasons the deadline will not be met. Upon
17 request of the department, the board shall extend the deadline by six
18 months but may not extend the deadline more than once.

19 (3) If notified by a manufacturer that distribution to compassion
20 centers may not begin by January 1, 2017, the department shall advise the
21 public and the board. Upon notification by the department, the board
22 shall extend the deadline by six months but may not extend the deadline
23 more than once.

24 Sec. 23. The department shall establish and maintain a registry
25 program for patients. The patient registry shall include the name,
26 address, and telephone number of patients enrolling in the registry
27 program and shall identify the participating physician for the patient
28 and the registered designated caregiver, if any.

29 Sec. 24. (1) The department shall:

30 (a) Give notice of the registry program to physicians in Nebraska
31 who are eligible to serve as participating physicians and explain the

1 purposes and requirements of the registry program;

2 (b) Allow each physician who meets or agrees to meet the
3 requirements of the registry program and who requests to participate to
4 be included in the registry program;

5 (c) Provide explanatory information and assistance to each
6 participating physician in understanding the nature of therapeutic use of
7 medical cannabis within the requirements of the registry program;

8 (d) Create and provide a certification to be used by a participating
9 physician for the participating physician to certify whether a patient
10 has been diagnosed with a qualifying medical condition and include in the
11 certification an option for the participating physician to certify
12 whether the patient, in the medical opinion of the participating
13 physician, has a developmental disability or a physical disability and,
14 as a result of that disability, the patient is unable to self-administer
15 medication or acquire medical cannabis from a compassion center;

16 (e) Supervise the participation of the participating physician in
17 conducting patient treatment and medical records reporting in a manner
18 that ensures stringent security and record-keeping requirements and that
19 prevents the unauthorized release of private data; and

20 (f) Develop safety criteria for patients with a qualifying medical
21 condition as a requirement of the patient's participation in the registry
22 program in order to prevent the patient from undertaking any task under
23 the influence of medical cannabis that would constitute negligence or
24 professional malpractice on the part of the patient.

25 (2) In order to participate in the registry program:

26 (a) A physician shall not have a financial interest in a
27 manufacturer or compassion center;

28 (b) A physician shall have a bona fide physician-patient
29 relationship with each patient certified by the physician as having a
30 qualifying medical condition; and

31 (c) A physician shall document at least three appointments with each

1 patient prior to certifying the patient as having a qualifying medical
2 condition.

3 Sec. 25. (1) The department shall develop a patient application for
4 enrollment in the registry program. The application shall be available to
5 the patient and given to participating physicians in Nebraska. The
6 application shall include:

7 (a) The name, mailing address, and date of birth of the patient;

8 (b) The name, mailing address, and telephone number of the patient's
9 participating physician;

10 (c) The name, mailing address, and date of birth of the patient's
11 designated caregiver, if any, or the patient's parent or legal guardian
12 if the parent or legal guardian will be acting as a caregiver;

13 (d) A copy of the certification from the patient's participating
14 physician which certifies that the patient has visited the participating
15 physician at least three times prior to submitting the application, that
16 the patient has been diagnosed with a qualifying medical condition, and,
17 if applicable, that, in the medical opinion of the participating
18 physician, the patient has a developmental disability or physical
19 disability and, as a result of that disability, the patient is unable to
20 self-administer medication or acquire medical cannabis from a compassion
21 center; and

22 (e) All other signed affidavits and enrollment forms required by the
23 department under the Medical Cannabis Act, including, but not limited to,
24 the disclosure form required under subsection (3) of this section.

25 (2) The department shall require a patient to resubmit a copy of the
26 certification from the patient's participating physician on an annual
27 basis and shall require that the recertification be dated within ninety
28 days prior to submission.

29 (3) The department shall develop a disclosure form and require, as a
30 condition of enrollment, that the patient sign a copy of the disclosure.
31 The disclosure shall include:

1 (a) A statement that the department, or any employee of any state
2 agency, may not be held criminally liable for any injury, loss of
3 property, personal injury, or death caused by any act or omission while
4 acting within the respective scope of office or employment under the
5 Medical Cannabis Act; and

6 (b) The patient's acknowledgment that enrollment in the registry
7 program is conditional on the patient's agreement to comply with the
8 Medical Cannabis Act.

9 Sec. 26. (1) The department shall register a designated caregiver
10 for a patient if the patient's participating physician has certified that
11 the patient, in the medical opinion of the participating physician, has a
12 developmental disability or a physical disability and, as a result of
13 that disability, the patient is unable to self-administer medication or
14 acquire medical cannabis from a compassion center and the caregiver has
15 agreed, in writing, to be the patient's registered designated caregiver.
16 As a condition of registration as a registered designated caregiver, the
17 department shall require the person to:

18 (a) Be at least twenty-one years of age;

19 (b) Agree to only possess medical cannabis for purposes of assisting
20 the patient; and

21 (c) Agree that if the application is approved, the person will not
22 be a registered designated caregiver for more than one patient unless
23 each of such patients reside in the same residence.

24 (2)(a) The department shall conduct a criminal background check on
25 the designated caregiver prior to registration to ensure that the person
26 does not have a conviction for a disqualifying felony offense. Any cost
27 of the background check shall be paid by the person seeking registration
28 as a registered designated caregiver.

29 (b) The person shall file a complete set of his or her legible
30 fingerprints with the department. The department shall transmit such
31 fingerprints to the Nebraska State Patrol which shall transmit a copy of

1 the applicant's fingerprints to the Identification Division of the
2 Federal Bureau of Investigation for a national criminal history record
3 information check.

4 (c) The national criminal history record information check shall
5 include information concerning the person from federal repositories of
6 such information and repositories of such information in other states if
7 authorized by federal law for use by the department.

8 (d) The Nebraska State Patrol shall undertake a search for Nebraska
9 criminal history record information concerning the person. The Nebraska
10 State Patrol shall issue a report to the department which contains the
11 results of the criminal history record information check conducted by the
12 Nebraska State Patrol.

13 (e) Criminal history record information subject to federal
14 confidentiality requirements shall remain confidential and may be
15 released only upon the written authorization of the subject of the
16 information.

17 Sec. 27. A parent or legal guardian of a patient may act as the
18 caregiver to the patient without having to register as a registered
19 designated caregiver. The parent or legal guardian shall follow all of
20 the requirements of parents and legal guardians in the Medical Cannabis
21 Act. Nothing in the act limits any legal authority a parent or legal
22 guardian may have for the patient under any other law.

23 Sec. 28. (1) After receipt of a patient's application and signed
24 disclosure, the department shall enroll the patient in the registry
25 program and issue the patient and patient's registered designated
26 caregiver or parent or legal guardian, if applicable, a registry
27 verification. A patient's enrollment in the registry program shall only
28 be denied if the patient:

29 (a) Does not have certification from a participating physician that

6 (2) The department shall give written notice to a patient of the
7 reason for denying enrollment in the registry program.

8 (3) Denial of enrollment in the registry program may be appealed.
9 The appeal shall be in accordance with the Administrative Procedure Act.

10 (4) A patient's enrollment in the registry program shall only be
11 revoked if a patient violates a requirement under section 36, 41, 42, or
12 43 of this act or upon the death of the patient.

13 (5) The department shall develop a registry verification to provide
14 to the patient, to the participating physician identified in the
15 patient's application, and to the compassion center. The registry
16 verification shall include:

17 (a) The patient's name and date of birth;

18 (b) The patient registry number assigned to the patient;

19 (c) The patient's qualifying medical condition as provided by the
20 patient's participating physician in the certification; and

21 (d) The name and date of birth of the patient's registered
22 designated caregiver, if any, or the name of the patient's parent or
23 legal guardian if the parent or legal guardian will be acting as a
24 caregiver.

25 Sec. 29. A patient or registered designated caregiver shall notify
26 the department of any address or name change within thirty days after the
27 change occurred. A registered designated caregiver shall notify the
28 department of the death of a patient for whom the caregiver provides
29 medical cannabis within thirty days after the death of the patient. A
30 patient or registered designated caregiver is subject to a one-hundred-
31 dollar fine for failure to notify the department as required under this

1 section.

2 Sec. 30. (1) Prior to a patient's enrollment in the registry
3 program, a participating physician shall:

4 (a) Determine, in the medical judgment of the participating
5 physician, whether a patient suffers from a qualifying medical condition
6 and, if so determined, provide the patient with a certification of that
7 diagnosis;

8 (b) Determine whether a patient has a developmental disability or
9 physical disability and, as a result of that disability, the patient is
10 unable to self-administer medication or acquire medical cannabis from a
11 compassion center and, if so determined, include that determination on
12 the patient's certification of diagnosis;

13 (c) Provide explanatory information from the department to patients
14 with qualifying medical conditions, including disclosure to all patients
15 about the experimental nature of therapeutic use of medical cannabis; the
16 possible risks, benefits, and side effects of the proposed treatment; and
17 the application and other materials from the department; and

18 (d) Agree to continue treatment of the patient's qualifying medical
19 condition.

20 (2) Upon notification from the department of the patient's
21 enrollment in the registry program, the participating physician shall:

22 (a) Participate in the patient registry reporting system under the
23 guidance and supervision of the department;

24 (b) Determine, on a yearly basis, if the patient continues to suffer
25 from a qualifying medical condition and, if so, issue the patient a new
26 certification of that diagnosis; and

27 (c) Otherwise comply with all requirements developed by the
28 department.

29 (3) Nothing in this section requires a physician to participate in
30 the registry program.

31 Sec. 31. Data collected on patients by a participating physician

1 and reported to the registry program are medical records and subject to
2 sections 81-663 to 81-675.

3 Sec. 32. (1) Each manufacturer and each compassion center shall
4 disclose its proposed location to the department during the registration
5 process. A county, city, or village governing body may adopt a resolution
6 or ordinance prohibiting the operation of a manufacturer or compassion
7 center or both within its jurisdiction and may adopt zoning regulations
8 that reasonably limit a manufacturer or compassion center to certain
9 areas within its jurisdiction. If all jurisdictions within a
10 congressional district adopt a prohibition on the operation of
11 manufacturers, the department may register an additional manufacturer in
12 another congressional district. If all jurisdictions within a
13 congressional district adopt a prohibition on the operation of compassion
14 centers, the department may register up to four additional compassion
15 centers in another congressional district or up to two additional
16 compassion centers in each of the other congressional districts.

17 (2) A manufacturer shall operate only one location where all
18 cultivation, harvesting, manufacturing, packaging, and processing shall
19 be conducted.

20 (3)(a) Any compassion center may distribute medical cannabis and
21 medical cannabis products but shall not contain any medical cannabis in a
22 form other than those forms allowed under the Medical Cannabis Act. A
23 compassion center shall not conduct any cultivation, harvesting,
24 manufacturing, packaging, or processing of medical cannabis.

25 (b) The operating documents of a compassion center shall include:

26 (i) Procedures for the oversight of the compassion center and
27 procedures to ensure accurate record keeping; and

28 (ii) Procedures for the implementation of appropriate security
29 measures to deter and prevent the theft of medical cannabis and
30 unauthorized entrance into areas containing medical cannabis.

31 (4) A manufacturer shall contract with a laboratory, subject to the

1 department's approval of the laboratory and any additional requirements
2 set by the department, for purposes of testing medical cannabis
3 manufactured by the manufacturer as to content, contamination, and
4 consistency to verify that the medical cannabis meets the requirements of
5 the Medical Cannabis Act. The manufacturer shall pay the cost of
6 laboratory testing.

7 (5) The operating documents of a manufacturer shall include:

8 (a) Procedures for the oversight of the manufacturer and procedures
9 to ensure accurate record keeping; and

10 (b) Procedures for the implementation of appropriate security
11 measures to deter and prevent the theft of medical cannabis and
12 unauthorized entrance into areas containing medical cannabis.

13 (6) Each manufacturer and each compassion center shall implement
14 security requirements, including requirements for protection of its
15 location by a fully operational security alarm system, facility access
16 controls, perimeter intrusion detection systems, and a personnel
17 identification system.

18 (7) Each manufacturer and each compassion center shall not share
19 office space with or refer patients to a participating physician.

20 (8) Each manufacturer and each compassion center shall not permit
21 any person to consume medical cannabis on the property of the
22 manufacturer or compassion center.

23 (9) Each manufacturer and each compassion center are subject to
24 reasonable inspection by the department or its designee.

25 (10)(a) A manufacturer and a compassion center may not employ any
26 person who is under twenty-one years of age or who has been convicted of
27 a disqualifying felony offense. An employee of a manufacturer and a
28 compassion center shall submit to a completed criminal history record
29 information check before an employee may begin working with the
30 manufacturer or compassion center.

31 (b) Each employee shall pay the costs of the criminal history record

1 information check and shall file a complete set of his or her legible
2 fingerprints with the department. The department shall transmit such
3 fingerprints to the Nebraska State Patrol which shall transmit a copy of
4 the applicant's fingerprints to the Identification Division of the
5 Federal Bureau of Investigation for a national criminal history record
6 information check.

7 (c) The national criminal history record information check shall
8 include information concerning the employee from federal repositories of
9 such information and repositories of such information in other states if
10 authorized by federal law for use by the department.

11 (d) The Nebraska State Patrol shall undertake a search for Nebraska
12 criminal history record information concerning the employee. The Nebraska
13 State Patrol shall issue a report to the department which contains the
14 results of the criminal history record information check conducted by the
15 Nebraska State Patrol.

24 reasonable restrictions set by the department relating to signage,
25 marketing, display, and advertising of medical cannabis and shall comply
26 with local zoning regulations.

27 Sec. 33. (1) A manufacturer of medical cannabis shall provide a

24 (e) Properly package medical cannabis in compliance with the federal

29 (i) The patient's name and date of birth;

28 Sec. 37. (1) There is a presumption that a patient enrolled in the
29 registry program under the Medical Cannabis Act is engaged in the

31 (2) The presumption may be rebutted by evidence that conduct related

1 to use of medical cannabis was not for the purpose of treating or
2 alleviating the patient's qualifying medical condition or symptoms
3 associated with the patient's qualifying medical condition.

4 Sec. 38. (1) Subject to section 18 of this act, the following are
5 not violations under the Medical Cannabis Act:

6 (a) Use or possession of medical cannabis or medical cannabis

22 (3) The department, the department's staff, the department's agents
23 or contractors, and any participating physician are not subject to any
24 civil or disciplinary penalties by any business, occupational, or
25 professional licensing board or entity, solely for participation in the
26 registry program under the Medical Cannabis Act. A pharmacist licensed
27 under the Pharmacy Practice Act is not subject to any civil or
28 disciplinary penalties when acting in accordance with the Medical
29 Cannabis Act. Nothing in this section affects a professional licensing
30 board from taking action in response to violations of any other provision
31 of law.

1 (4) Federal, state, and local law enforcement authorities are
2 prohibited from accessing the registry program under the Medical Cannabis
3 Act except (a) when acting pursuant to a search warrant or (b) to

19 cause or reasonable suspicion, nor shall it be used to support a search
20 of the person or property of the person possessing or applying for the
21 registry verification or otherwise subject the person or property of the
22 person to inspection by any governmental agency.

23 Sec. 39. (1) No school or landlord may refuse to enroll or lease to
24 and may not otherwise penalize a person solely for the person's status as
25 a patient enrolled in the registry program under the Medical Cannabis Act
26 unless failing to do so would violate federal law or regulations or cause
27 the school or landlord to lose a monetary or licensing-related benefit
28 under federal law or regulations.

29 (2) For purposes of medical care, including organ transplants, the
30 use of medical cannabis under the Medical Cannabis Act by a patient
31 enrolled in the registry program is considered the equivalent of the

1 authorized use of any other medication used at the discretion of a
2 physician and does not constitute the use of an illicit substance or
3 otherwise disqualify a patient from needed medical care.

4 (3) A person shall not be denied custody of a minor child or
5 visitation rights or parenting time with a minor child solely based on
6 the person's status as a patient enrolled in the registry program under
7 the Medical Cannabis Act.

8 Sec. 40. (1) In addition to any other applicable penalty, a
9 compassion center or an agent of a compassion center who intentionally

16 (2) In addition to any other applicable penalty, a manufacturer or
17 an agent of a manufacturer who intentionally transfers medical cannabis
18 to a person other than a registered manufacturer or a registered
19 compassion center is guilty of a Class IV felony. A person convicted
20 under this section shall not continue to be affiliated with the
21 manufacturer and is disqualified from further participation under the
22 Medical Cannabis Act.

23 Sec. 41. In addition to any other applicable penalty provided by
24 law, a patient, a registered designated caregiver, or, if listed on the
25 registry verification, a parent or legal guardian of a patient who
26 intentionally sells or otherwise transfers medical cannabis to a person
27 other than a patient, a registered designated caregiver, or, if listed on
28 the registry verification, a parent or legal guardian of a patient, is
29 guilty of a Class IV felony.

30 Sec. 42. A person who intentionally makes a false statement to a
31 law enforcement official about any fact or circumstance relating to the

1 medical use of cannabis to avoid arrest or prosecution is guilty of a
2 Class III misdemeanor. The penalty is in addition to any other penalties
3 that may apply for making a false statement or for the possession,
4 cultivation, or sale of cannabis not protected by the Medical Cannabis
5 Act. If a person convicted of violating this section is a patient or a
6 registered designated caregiver, the person is disqualified from further
7 participation under the act.

8 Sec. 43. A person who knowingly submits false records or
9 documentation required by the department to register as a manufacturer or
10 compassion center under the Medical Cannabis Act is guilty of a Class IV
11 felony.

12 Sec. 44. A manufacturer or a compassion center may be fined up to
13 one thousand dollars for any violation of the Medical Cannabis Act or the
14 rules and regulations adopted and promulgated pursuant to the act if no
15 penalty has been specified. This penalty is in addition to any other
16 applicable penalties in law.

17 Sec. 45. (1) The department shall collect an application fee of
18 twenty thousand dollars from each entity submitting an application for
19 registration as a manufacturer or a compassion center. The department
20 shall remit the fees to the State Treasurer for credit to the Medical
21 Cannabis Regulation Fund.

22 (2) The department shall establish and collect an annual fee from a
23 manufacturer or a compassion center equal to the cost of regulating and
24 inspecting the manufacturer or compassion center in that year. The
25 department shall remit the fees to the State Treasurer for credit to the
26 Medical Cannabis Regulation Fund.

27 Sec. 46. The Medical Cannabis Regulation Fund is created and shall
28 consist of funds from contracts, grants, gifts, or fees under the Medical
29 Cannabis Act. The fund shall be used for purposes of regulation of
30 medical cannabis. Transfers may be made from the fund to the General Fund
31 at the direction of the Legislature. Any money in the Medical Cannabis

1 Regulation Fund available for investment shall be invested by the state
2 investment officer pursuant to the Nebraska Capital Expansion Act and the
3 Nebraska State Funds Investment Act.

4 Sec. 47. Each manufacturer and each compassion center shall
5 maintain detailed financial records in a manner and format approved by
6 the department and shall keep all records updated and accessible to the
7 department when requested.

8 Sec. 48. The department may require an audit of a manufacturer or a

10 department with the costs of the audit paid by the manufacturer or

12 Sec. 49. (1) The department or its designee may examine the
13 business affairs and conditions of any manufacturer or compassion center,
14 including, but not limited to, a review of the financing, budget,
15 revenue, sales, and pricing.

16 (2) An examination may cover the manufacturer's or compassion
17 center's business affairs, practices, and conditions, including, but not
18 limited to, a review of the financing, budget, revenue, sales, and
19 pricing. The department shall determine the nature and scope of each
20 examination and in so doing shall take into account all available
21 relevant factors concerning the financial and business affairs,
22 practices, and conditions of the manufacturer or compassion center. The
23 costs incurred by the department in conducting an examination shall be
24 paid for by the manufacturer or compassion center.

25 (3) When making an examination under this section, the department
26 may retain professionals and specialists as designees.

27 (4) The department shall make a report of an examination conducted
28 under this section and provide a copy to the manufacturer or compassion
29 center. The department shall then post a copy of the report on its web
30 site.

30 more products, except real property and services to real property, when
31 (a) the products are otherwise distinct and identifiable and (b) the

1 products are sold for one non-itemized price. Bundled transaction does
2 not include the sale of any products in which the sales price varies, or
3 is negotiable, based on the selection by the purchaser of the products
4 included in the transaction.

5 (2) Distinct and identifiable products do not include:

6 (a) Packaging, such as containers, boxes, sacks, bags, and bottles
7 or other materials such as wrapping, labels, tags, and instruction guides
8 that accompany the retail sale of the products and are incidental or
9 immaterial to the retail sale thereof. Examples of packaging that are
10 incidental or immaterial include grocery sacks, shoeboxes, dry cleaning
11 garment bags, and express delivery envelopes and boxes;

12 (b) A product provided free of charge with the required purchase of

17 section 77-2701.35.
