Re: Neb. Rev. Stat. §4-113 Report

Public Benefits given to individuals, households, or family eligibility units by the Nebraska Department of Aeronautics would be in the form of contracts with individuals to provide goods and services.

During the reporting period, January 1, 2015 through December 31, 2015, the Department did not enter into any contracts with individuals to provide goods and services.

The Department of Aeronautics is an E Verify Program participant. The department has a process to ensure all contracts entered into after October 1, 2009 comply with Neb. Rev. Stat. §4-108 et. seq.

Respectfully,

A handwritten signature in cursive script that reads "Andre B. Aman".

Andre B. Aman, Deputy Director & Legal Counsel
