**Summary of purpose and/or changes:**

The bill amends provisions of law related to provision of proof of compliance with Nebraska motor vehicle financial responsibility requirements and the duty to provide proof of valid motor vehicle insurance coverage.

The current Nebraska proof of insurance law exempts motor vehicles or trailers registered in another state when being operated within Nebraska.

LB 994 removes the exception for motor vehicles and trailers registered in other states and requires proof of current motor vehicle insurance, as such proof is required to be demonstrated in the state in which the vehicle is registered, when a non-resident motor vehicle is operated in this state.
