Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

As amended, LB 1093 would: 1) Amend residency requirements established for participation in the Intern Nebraska program; 2) Amend contract provisions and grant category ranges under the Business Innovation Act; and 3) Establish provisions for the collection and reporting of quantifiable measurements and benchmarks for the Nebraska Innovation Campus. It is estimated that the provisions of LB 1093 could be carried out using existing resources in the Department of Economic Development and the University of Nebraska.
