LB 770 changes the termination date of the Nebraska Transparency Act from July 1, 2017 to July 1, 2016. The change in termination date eliminates a year of expenses of the Nebraska Exchange Stakeholder Commission. The Exchange Stakeholder Commission is housed in the Department of Insurance (DOI) for budgetary purposes. The DOI indicates there will be a savings of \$4,320 of cash funds in FY2016-17. The expenditures would have been made to reimburse travel expenses of members of the commission.

Explanation of Estimate:

Legislative Bill 770 would change the termination date of the Nebraska Exchange Transparency Act to July 1, 2016, from July 1, 2017. This change will eliminate the need for the Nebraska Exchange Stakeholder Commission, which is housed in the Department of Insurance for administrative and budgetary purposes, to meet for its final year thereby providing \$4,320 in savings from travel reimbursement for members of the Commission.
