26 amount of the prior overpayment, together with regular interest thereon.
27 In the event of a material underpayment of a benefit, the board shall
28 immediately make payment equal to the deficit amount plus regular
29 interest.

30 (b) The board shall have the power, through the director of the
31 Nebraska Public Employees Retirement Systems or the director's designee,

1 to make a thorough investigation of any overpayment of a benefit, when in
2 the judgment of the retirement system such investigation is necessary,
3 including, but not limited to, circumstances in which benefit payments
4 are made after the death of a member or beneficiary and the retirement
5 system is not made aware of such member's or beneficiary's death. In
6 connection with any such investigation, the board, through the director
7 or the director's designee, shall have the power to compel the attendance
8 of witnesses and the production of books, papers, records, and documents,
9 whether in hardcopy, electronic form, or otherwise, and issue subpoenas
10 for such purposes. Such subpoenas shall be served in the same manner and
11 have the same effect as subpoenas from district courts.

12 (2) If the board determines that termination of employment has not
13 occurred and a retirement benefit has been paid to a member of the
14 retirement system pursuant to section 79-933, such member shall repay the
15 benefit to the retirement system.

16 (3) The board shall adopt and promulgate rules and regulations

18 the following: (a) The procedures for refunding contributions, adjusting
19 future contributions or benefit payments, and requiring additional
20 contributions or repayment of benefits; (b) the process for a member,
21 member's beneficiary, employee, or employer to dispute an adjustment of
22 contributions or benefits; and (c) notice provided to all affected

2 district and who becomes eligible to make application for and receive a
3 school retirement allowance under section 79-931 may receive a formula
4 annuity retirement allowance if it is greater than the school retirement
5 allowance provided by section 79-933.

6 (2) Subject to the other provisions of this section, the monthly
7 formula annuity in the normal form shall be determined by multiplying the
8 number of years of creditable service for which such member would
9 otherwise receive the service annuity provided by section 79-933 by (a)
10 one and one-quarter percent of his or her final average compensation for
11 a member who has acquired the equivalent of one-half year of service or
12 more as a public school employee under the retirement system following
13 August 24, 1975, (b) one and one-half percent of his or her final average
14 compensation for a member who has acquired the equivalent of one-half
15 year of service or more as a public school employee under the retirement
16 system following July 17, 1982, (c) one and sixty-five hundredths percent

24 compensation for a member who has acquired the equivalent of one-half
25 year of service or more as a public school employee under the retirement
26 system following July 1, 1995, and was employed as a public school
27 employee under the retirement system or under contract with an employer
28 on or after April 10, 1996, (f) one and nine-tenths percent of his or her
29 final average compensation for a member who has acquired the equivalent
30 of one-half year of service or more as a public school employee under the
31 retirement system following July 1, 1998, and was employed as a public

1 school employee under the retirement system or under contract with an
2 employer on or after April 29, 1999, or (g) two percent of his or her

15 age, the annuity shall not be reduced. If the annuity begins prior to the
16 sixtieth birthday of the member and the member has completed thirty-five
17 or more years of creditable service, the annuity shall be actuarially
18 reduced on the basis of age sixty-five. If the annuity begins on or after
19 the sixtieth birthday of the member and the member has completed at least
20 a total of five years of (a) creditable service plus (b) eligibility and
21 vesting credit but less than thirty years of creditable service, the
22 annuity shall be reduced by three percent for each year by which the
23 member's age is less than the age at which the member's age plus years of
24 creditable service would have totaled ninety or three percent for each
25 year after the member's sixtieth birthday and prior to his or her sixty-
26 fifth birthday, whichever provides the greater annuity.

27 (4) For retirements on or after March 4, 1998, if the annuity begins
28 at a time when the sum of the member's attained age and creditable
29 service totals eighty-five and the member is at least fifty-five years of
30 age, the annuity shall not be reduced. This subsection shall only apply
31 to a member who has acquired the equivalent of one-half year of service

1 or more as a public school employee under the retirement system following
2 July 1, 1997, and who was a school employee on or after March 4, 1998.
3 This subsection shall not apply to a member who is retired prior to March
4 4, 1998.

5 (5) Except as provided in section 42-1107, the normal form of the
6 formula annuity shall be an annuity payable monthly during the remainder
7 of the member's life with the provision that in the event of his or her
8 death before sixty monthly payments have been made the monthly payments
9 will be continued to his or her estate or to the beneficiary he or she
10 has designated until sixty monthly payments have been made. Except as
11 provided in section 42-1107, a member may elect to receive in lieu of the
12 normal form of annuity an actuarially equivalent annuity in any optional
13 form provided by section 79-938.

14 (6) All formula annuities shall be paid from the School Retirement
15 Fund.
