

ONE HUNDRED FOURTH LEGISLATURE

FIRST SESSION

LEGISLATIVE RESOLUTION 216

Introduced by Johnson, 23.

PURPOSE: The purpose of this resolution is to study implementation of a specific study recommendation of the interim study report produced as a result of LR 309 (2013). The report recommended that the Agriculture Committee investigate whether alternative models for compensating specialty or sensitive crop growers incurring herbicide drift damages are feasible and practical and whether the models would improve upon existing means for compensating specialty or sensitive crop growers for losses due to herbicide drift incidents.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED FOURTH LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Agriculture Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
