

One Hundred Fourth Legislature - Second Session - 2016

Introducer's Statement of Intent

LB1099

Chairman: Senator John Murante

Committee: Government, Military and Veterans Affairs

Date of Hearing: February 19, 2016

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB1099 changes the method of reimbursement of expenses for state officers, state employees or members of any commission, council, committee, or board of the state when they are in an approved travel status.

Currently, incurred expenses are reimbursed only after a fully itemized expense document is submitted to the appropriate state agency. LB1099 instead proposes that reimbursement of all expenses, including meals, travel, and lodging, be made pursuant to the federal General Services Administration per diem and mileage reimbursement rates.
