

**One Hundred Fourth Legislature - First Session - 2015**

**Introducer's Statement of Intent**

**LB316**

---

**Chairperson: Senator Les Seiler**

**Committee: Judiciary**

**Date of Hearing: February 19, 2015**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 316 prohibits Nebraska from entering into any interstate compact with another state to impose or collect information or civil fines for supposed traffic violations in the other state captured by a red light camera or a speed camera.

Such cameras create privacy issues, and hinder due process regarding traffic violations supposedly committed in other states.
