

One Hundred Fourth Legislature - Second Session - 2016

Introducer's Statement of Intent

LB880

Chairperson: Senator Jim Smith

Committee: Transportation and Telecommunications

Date of Hearing: January 19, 2016

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 880 would create a reservist companion license plate for five of the six existing Military Honor Plates. The National Guard is already a reserve unit, so it does not need a separate reservist plate.

The bill would also eliminate the restriction to display the word "veteran" on an operator's license or state-issued ID card for persons who served for training purposes only.
