

Legislature - First Session - 2015

Introducer's Statement of Intent

LB90

Chairperson: Senator Kathy Campbell

Committee: Health and Human Services

Date of Hearing: January 23, 2015

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Nebraska allows members of a health profession to ask the Department of Health and Human Services to review whether their profession should be regulated, or whether their profession's scope of practice should be changed. Nebraska also allows the Director of Public Health and the Chairperson of the Legislature's Health and Human Services Committee to ask the Department for such a review. This is known as a directed review. LB 90 is intended to add other option, by allowing the Chairperson, in consultation with the Health and Human Services Committee, to ask for a directed review.
