

**Legislature - First Session - 2015**

**Introducer's Statement of Intent**

**LB92**

---

**Chairperson: Senator Jerry Johnson**

**Committee: Agriculture**

**Date of Hearing: January 20, 2015**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 92 amends the Agricultural Liming Materials Act, to provide that inspection fees for agricultural liming materials be paid on six-month intervals to coincide with the payment of inspection fees collected under the Nebraska Commercial Fertilizer and Soil Conditioner Act. The uniform collection process would aid the industry in paying fees in these programs and aid the Department of Agriculture in collecting them.

LB 92 also cleans up provisions of the Agricultural Liming Material Act and to be consistent with the Nebraska Commercial Fertilizer and Soil Conditioners Act.
