RE: Report of Property Forfeiture Seizures

Legislative Bill 1106 passed by the One Hundred Fourth Legislature and approved by the Governor on April 19, 2016, requires law enforcement agencies to annually report to the Auditor of Public Accounts (APA) property seized related to drug and child pornography cases. The APA is required to submit a report to the Legislature on the nature and extent of such filed reports.

For the period July 21, 2016, through December 31, 2016, the APA received 200 reports from law enforcement agencies, see attached. Of the reports received, 172 indicated they had no property seized during that time frame, the remaining 28 indicated they had seized property and included details of the seizures.

The reports received were scanned and can be found on the APA website at www.auditors.nebraska.gov under the Local Governments tab, Search Forfeitures.

If you have questions, please feel free to contact us at 402.471.2111.

Sincerely,

A handwritten signature in blue ink that reads "C. Janssen".
