Re: *Nebraska Energy Statistics*

The Nebraska Energy Office is pleased to provide the website address for the statistical handbook entitled *Nebraska Energy Statistics*. The statistical handbook represents the collection, compilation, and analysis of energy statistics and information as required under Neb. Rev. Stat. §81-1606. The statistical handbook is available at <http://www.neo.ne.gov/statshtml/index3c.html>.

It is my understanding that since 2008 the website address has been sufficient to meet the filing requirement.

If you have any questions, please contact Doris Jansky, Statistical Analyst, at 402-471-3538 or doris.jansky@nebraska.gov.
