Enclosure

University of Nebraska Board of Regents
Report to the Legislature as Required by LB 1093
Measurements Regarding Nebraska Innovation Campus
Reporting year 2018

(Submitted by December 1 of each year)

Background

Nebraska Innovation Campus Development Corporation (NICDC), through its board of directors, has a 25-year buildout goal for the completion of NIC. NICDC is monitoring for on-time completion and is currently reporting that NIC is currently slightly ahead of that development timeline. In fact, Nebraska Innovation Campus (NIC) is currently developing at a rate equal to or faster than research parks listed for comparison in the university's response to LR200, all of which are more advanced/mature on their own development timelines.

Responses

1. *Percentage of investments by the state and university compared to private sector investments*

As of June 30, 2018, \$217 million has been invested at Nebraska Innovation Campus. This includes the core and shell cost for the Rise building, but does not include tenant improvements.

Private Sector	92,066
State & University	<u>125,280</u>
	217,346

2. *The number of square feet of construction*

As of June 30, 2018, NIC had 379,398 square feet of constructed space. Details regarding the available square feet is noted below. Vacant space is warm core and shell and not finished. None of the total space is available for lease from the private developer and an additional 7.0% is available as a sublease through the University.

(See Summary on Next Page)

Rentable Building Name	Total	Univeristy	Conference		Available	UNL Sub	Vacant
	Square Feet		Center	Private	UNL Sublease	Leases	UNL Sub Lease
Innovation Commons*	147,784	37,125	44,954	65,705			
Food Innovation Center**	178,000	178,000			46,385	20,545	25,840
Greenhouse Innovation Center**	44,950	44,950			1,920	1,920	
Total	370,734	260,075	44,954	65,705	48,305	22,465	25,840

Non-Rentable Building Name	
Nucorp Owned CRES Power Plant	8,664
Total	379,398

Note:

* Conference Center is owned by the University

** Both buildings are master leased by the university with noted sublease space available to private companies

3. The number of private sector companies located on Nebraska Innovation Campus

June 30, 2017 – 19 companies

June 30, 2018 - 28 companies

4. The number of private sector jobs located on Nebraska Innovation Campus

In response to LB 1093, NICDC engaged the UNL Bureau of Business Research to conduct a survey of university and private sector activities on Nebraska Innovation Campus (“Tenant Survey”). The goal of the Tenant Survey was to provide more robust and independently verified data for this response without compromising proprietary information of NIC’s private sector partners. This was the third year of the survey; eighty-one percent of the private sector tenants completed the survey.

Sector	Employment			Total
	Permanent	Student Interns	Other Temporary	
Private Sector	260	43	24	327
UNL	216	32	57	305
Total	476	75	81	632

5. The amount of private sector research funding to the university attributable to Nebraska Innovation Campus

For the years ending June 30, 2017 and 2018, the University reports the following sponsored research funding attributable to NIC and its sources.

	6/30/2017	6/30/2018
Associations/Foundations	215,000	205,000
Federal	3,957,000	4,550,000
Industry	1,435,000	1,081,000
Local & Area	128,000	110,000
Private Donations/research projects at NIC	4,364,000	5,159,000
State Agencies	276,000	521,000
Universities	223,000	64,000
<i>Subtotal</i>	10,598,000	11,690,000
Private sector services provided by the University	6,551,000	6,863,000
<i>Total</i>	17,149,000	18,553,000

Note: An important component of UNL's research mission is its research services to the private sector provided by The Food Processing Center and the Food Allergy Research and Resource Program; this activity is included above.

6. The number of internships or other employment opportunities provided by private sector companies at Nebraska Innovation Campus to University Students

As reported from the Tenant Survey,

Sector	Internships
Private Sector	43
UNL	32
Total	75

7. The percentage of facilities leased by private sector companies
